**Your generous support
makes it possible for us to continue
making God's love visible!**

Your prayers and financial support have given us the resources we've needed to change lives. Together we build resilient communities. But there is yet a great work for us to do!

We invite to join us in this challenge, to partner with us in making God's love visible through the mission works of the Maryknoll Sisters.

In 25 countries around the globe, the Maryknoll Sisters work with orphans, youth, women, the ill, the elderly, those who are persecuted, suffering, or forgotten.

We could not have done so much to help so many without you!

Founded in 1912, the Maryknoll Sisters were the first religious order of Catholic women founded in the United States for overseas mission.

Today, we number approximately 500 women from diverse cultural backgrounds and serve in 25 countries.
